

PREvail[®]

DISINFECTANT CLEANER & DEODORIZER

Disinfection and cleaning of hard non-porous surfaces:

- Agricultural farms and barns
- Transportation vehicles

CONCENTRATE

5 min contact time

Prevail™ Concentrate is easily diluted and comes in a variety of sizes making it cost effective. Ideal for daily use and outbreaks on large surfaces.

- 30 Days Once Diluted
- 1:40 (100mL/4L) for Disinfection

WIPES

3 min contact time

Prevail™ Wipes provides an easy, convenient and effective way to disinfect your small surfaces. Ideal for daily use and outbreaks.

READY TO USE

3 min contact time

Prevail™ Ready to Use is a unique pre-mixed solution that requires no dilution. Ideal for daily use and outbreaks on small surfaces.

Prevail Concentrate is effective against:

- ✓ African Swine Fever Virus (ASFv)
- ✓ Porcine Epidemic Diarrhea Virus (PEDv)
- ✓ Avian Influenza
- ✓ Porcine Respiratory & Reproductive Syndrome (PRRS)

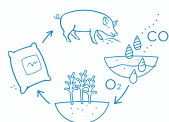

RESPONSIBLE

Non-toxic, non-irritating, odor-free, and does not require Personal Protective Equipment (PPE).

EFFICACIOUS

Proven delivery of superior kill performance against a broad spectrum of organisms.

SUSTAINABLE

Hydrogen peroxide is 100% biodegradable and breaks down into water and oxygen for easy disposal and minimal, to no environmental impact.

CLEANER

Unlike other disinfectants like bleach, AHP® cleans while it disinfects and disinfects while it cleans, saving time and money.

COMPATIBLE

Designed to be compatible with a wide range of materials, protecting assets by reducing corrosion and wear.

* Lowest WHMIS toxicity category for all 3 criteria: oral, dermal and inhalation
 ** Refer to reference sheet for additional claims and use instructions
